We care what you care.

Perfect **IAQ** Solution

 **WILA**
INNOVATIVE WATER PERFORMANCE

IAQ

People spend over 90% of their time indoors. It is believed that indoor air pollutants pose greater health hazard than outdoor air pollutants. It becomes so crucial that we need to improve the Indoor Air Quality (IAQ) wherever it is.

**WCM-600
Ceiling Mount
Cassette Air Purifier
is definitely your
RIGHT CHOICE!**

1. Efficient filter for capturing PM2.5 and TVOCs

- HEPA filter to eliminate 99.97% of particles size at or less than 0.3 micron
- Activated Carbon + TiO₂ module removes formaldehyde, benzene and amic materials

2. Sterilization and antibacterial function

Advanced Nano TiO₂ technology effectively eliminates mold spores, bacteria and virus.

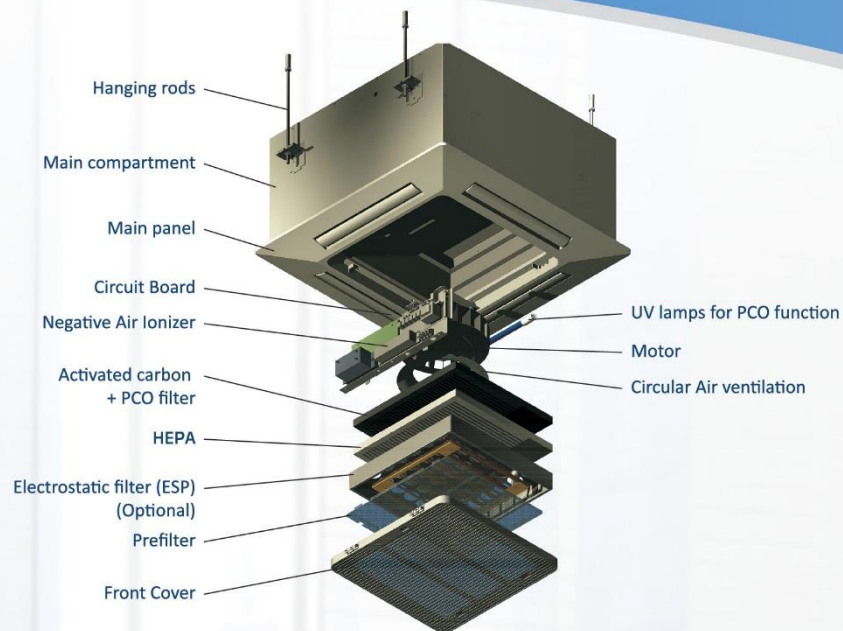

3. Maintain comfort

Negative Air Ionizer refreshes air and reduces the probability of cross-infection*

4. Conserve Space Design

Ceiling-mounted air cleaner suitable for compact space environment

5. Wireless Remote for convenient control

Specifications

Model: WCM-600 Ceiling Mount Air Purifier

Filter Configuration

Prefilter	Washable pre-filter to trap coarse particles
HEPA filter	Removes 99.97% of fine dust particles sized at or less than 0.3 micron
Activated carbon + PCO filter	1. Removes peculiar odors and hazardous chemicals, such as formaldehyde, benzene and amic materials. 2. Nano TiO ₂ technology for sterilization purpose
Negative Air Ionizer	Refreshes air
ESP filter (Optional)	Strengthen filtration performance of HEPA filter

Technical Configuration

Dimensions (L x W x H) (mm)	650 x 650 x 335
Weight (kg)	21
Voltage	220 – 240V/ 50 – 60 Hz
Power consumption (Watt)	High: 85; Medium: 68; Low: 60
Maximum Air Delivery Rate (m3/h)	650

Features

Wireless Remote	Yes
Material	Non-abrasive ABS plastic
Electrical Safety Approval and Certification	GB 4706.1-2005/ IEC 335-1 (2004)/ GBT18801-2008

* Research had been done by the National Health Services in the United Kingdom revealing that the installation of negative air ionizer effectively eliminated the rate of nosocomial infection in a ward. "Air ionizers wipe out hospital infections". The New Scientist. 3 January 2003. Retrieved 4 March 2016.
